

# Janata Personal Accident Prospectus

Janata Personal Accident Policy is an insurance policy which covers accidental injuries and consequent losses. All the covered members in the group to which such group PA policy has been issued will be the beneficiaries.

All benefits under this policy will be subject to a maximum amount as stated in the policy. These will be clearly noted in any quotation released or any policy issued. Policy benefits will always be subject to terms and conditions as mentioned in Policy and policy schedule/certificate of insurance.

**Eligibility:**

**Group details:**

A Group should consist of persons who assemble together with a commonality of purpose or engaging common economic activity like employees / workers of an organized/unorganized sector. Group can be employer-employee as well as non-employer employee. For employer-employee Groups, the scheme may be either contributory or non-contributory.

Some of the kinds of group are mentioned below –
